An Air View of Landen Farms

Landen Farms are reducing the size of their herd, keeping many of the daughters of the fine foundation females on which this well known herd was established and offering a good number of these foundation females to you with full confidence that they will produce equally as well for you. Such an opportunity to purchase some of the best known bloodlines, many with calves at side sired by celebrated bulls and rebred to champions, is rare.

You will like the heifers, too. A few of them were on the Landen show string and some are mated to LF Fascination x, International Grand Champion, and some to Upright Leader, International Reserve Grand Champion.

Don't miss this outstanding sale. Get some of the "Landen quality" into your herd

ON THE COVER

On the Front Cover is **L. F. Fascination x**, the 1954 International Grand Champion bull. You will find several heifers mated to him in this sale. On the Back Cover is **Upright Leader x**, the 1953 International Reserve Grand Champion bull. You will be able to purchase calves by him and cows rebred to this outstanding breeding bull.
